## GRAND CIRCUIT MEETING AGAIN AT NORTH RANDALL

Several Races Will Have to Be Divided Into Two Divisions Because of Large Entry.

## SENSATIONAL EVENTS EXPECTED

Horses Have Worked at Kalamazoo, Toledo and Columbus Since Opening of Racing Season and Should Show Great Improvement.

CLEVELAND, Aug. 2.—Cleveland has been working the other three other great race meetings this week at North Randall. Starting Monday the Grand Circuit returns to the famous Cleveland track for its second and final meeting of the year.

And that meeting will probably be even more sensational than the opening meeting of three weeks ago. The Randall officials have again obtained an excellent field of horses. The better meet, huge fields will take the word and in some cases the fields will have to be split into two divisions for no less than 200 horses to compete in the events listed, making average fields of over fifteen. But three events have twenty nominations while another has twenty-four. If all the eligibles declare in, it is enough for all four of these events will be divided.

**Four Races Each Day.**

As usual four races will be contested each day, and except for the two-year and three-year-old trotters, all races will be run on a threeheat plan.

One outstanding event in the meeting will be the free-for-all race which is practically a match race between Ante Guy and Lu Princeon, two of the greatest trotters ever developed and never won a race. Tommy Murphy and Walter Cox, there has been considerable controversy regarding respective racing ability. That race should set a new trotting record for 1919.

**Noted Performers Entered.**

But Lu Princeon and Ante Guy are not the only celebrities that will appear. Included in the nominations for North Randall are the names of practicing high-grade performer now in training, and some half-mile stars, as well as those that have been racing over the mile rings.

Many horsemen believe the coming meeting will be the best in the history of the North Randall track and will surely surpass the earlier meeting in average speed. For at the first meeting the horses in most instances started in the race of the year. Naturally many were taken up in a speed test, but since then they have raced at Kalamazoo, Toledo and Columbus, and the gradual improvement shown since certainly indicates that Cleveland will see some startling performances.

## FULTON BOOSTERS DEFEAT LUTHERANS BY 7-3 COUNT

**Retain Place at Top of East End League—Robinson Allows But Two Safeties.**

## EAST END LEAGUE.

Standing of the Teams.

Fulton Boosters ... 11 6 3 97

C. H. Bank ... 6 6 5 500

Richmond Motor Co. ... 4 6 4 490

F. E. L. S. S. .... 3 9 5 250

**Games Next Saturday.**

Fulton Boosters vs. C. H. Bank at

Richmond Motor Company vs. F. E. L. S. S. at Woodward.

**The East End League resumed play after three days' idleness, when the regular Fulton Boosters defeated the F. E. L. S. S. by the score of 7-3. The whole Booster team played well, making one error, and Robinson, the Booster star, got up only two hits. Bally batted a game for the F. E. L. S. S., and was practically the whole team, getting all the hits scored by his team. Glenn, catching for the boosters, made three two-base hits.**

**Score:**

Fulton Boosters ... 7 3 0 7

F. E. L. S. S. ... 3 0 0 3

**Polo THRILLS LARGE CROWD**

**Rockaway Team Defeats Old Meadow-brook Rivals in Tense Match at Hempstead.**

**HEMPSTEAD, N. Y., August 2.—**The Rockaway polo team thrilled 2,000 spectators this afternoon by defeating their old rivals, the Old Meadow-brook team, by a score of 8-3 to 3-2 goals.

The victory was a surprise, as the game was for the most part evenly played to determine the most likely team to go to England in the spring.

Naturally many were taken up in a speed test, but since then they have raced at Kalamazoo, Toledo and Columbus, and the gradual improvement shown since certainly indicates that Cleveland will see some startling performances.

**Might Be Run Cheaply.**

It could be run cut down to a reasonable basis and if the plan proposed by Dean McMillan could be carried out the moral as well as physical effect would be very beneficial.

For example, the evils connected with such a training camp would do away with the tendency to ceterize to the athletes students.

But in the absence of any agreement on training, etc., the plan proposed as well look forward to the resumption of these alleged evils, though perhaps in improved form. Competition is most important in the East, naturally one university doesn't want to give the better of it. And if it did, it would refuse to tell how far it will go in order to reform its system.

The British, however, seem to be doing well, making two doubles and a single. The whole West End team played well, although making two errors, none of which came at critical stages, however.

**West End Wins 10 to 9.**

West End Athletic Club defeated the J. E. Lees, yesterday afternoon, by 10 to 9. The winners utilized their opponents, gaining fifteen points.

Brown hit well, making two doubles and a single. The whole West End team played well, although making two errors, none of which came at critical stages, however.

**Score:**

West End ... 10 9 0 9

J. E. Lees ... 9 0 0 8
